

Community Pride

The R-Board dumpster is only for community cleanups and items that individuals have wanted to discard, but did not have time or means to do so. The HOA will be responsible for the container while it is onsite.

DO NOT place these materials in the R-Board dumpster:

- Hazardous chemicals including pesticides, paint, or petroleum products
- Household trash
- Commercial contractor debris

The HOA is also responsible for any trash accumulation once the container has been removed.

Please direct questions to Pat Rowe, 540-658-4590.
