## **Temporary Waiver of Landfill Fees for Residential Yard Debris**

The Rappahannock Regional Solid Waste Management Board (R-Board) will temporarily waive fees for yard debris disposal from residents beginning today, January 5, 2022, at the Regional Landfill. Stafford County has experienced a recent heavy snow and ice event, causing many trees and limbs to fall. This relief will continue until Sunday, January 17, 2022, with the R-Board evaluating the continued need. The R-Board wants to assist residents with clean-up activities. The waiver applies only to the disposal by residents, not commercial firms, and is only in effect at the Eskimo Hill site. For more information, visit [www.r-board.org](http://www.r-board.org).
